

THE SOCIETY OF
RADIOGRAPHERS

Nomination form

Nominations for **SoR UK Radiographer of the Year 2007** and **SoR UK Team of the Year 2007** should only be made on this form, which may be photocopied. Additional hard copies are available from Christina Freeman on 020 7740 7245 and it is available to download from the front page of the members' area of www.sor.org. Please provide as much information as possible and ensure the form is returned to your regional committee/national council by the date they have requested (see over). This is to ensure that they have sufficient time to consider nominations before forwarding their choice to Society HQ. Please ensure that you have the agreement of the person/team you are nominating and that they would be prepared to attend the SoR UK Radiographer of the Year and SoR UK Team of the Year presentation ceremony at the House of Commons, London on 8 November 2007. Please write as clearly as possible.

Rules

1. How the awards work

SoR members making a nomination for either the SoR UK Radiographer of the Year or the SoR UK Team of the Year are also nominating their choice for a regional/country award. For example, if you live in the south-east, you will send your nominees to the south-east regional committee (see below). From the entries received, the committee will choose regional winners for the two awards, which they will forward to SoR headquarters as the regional entries for the UK titles.

2. Nominations

Any member of the Society of Radiographers can nominate another member for the SoR UK Radiographer of the Year 2007 and/or a team for SoR UK Team of the Year, as long as at least one member of the team is an SoR member. Nominations for multi-disciplinary teams are welcome. Non-members are not eligible to make nominations. The person/team being nominated must agree to being nominated and, if they should win either their regional/national award, or the UK award, should be willing to attend a presentation ceremony at the House of Commons, London on 8 November 2007.

Nominations must be made on the official nomination form overleaf. It is available in hard copy form from Christina Freeman at 020 7740 7245 and it is available to download from the front page of the members' area of www.sor.org.

Each regional committee/national council will choose from the nominations received a regional/national winner for both awards. They will then forward the details by 3 September 2007 to Christina Freeman at SoR headquarters in London.

From the nominees forwarded by the regional committees/national councils, a panel of judges consisting of the Society's President, President-Elect and Chief Executive Officer will choose the SoR UK Radiographer of the Year 2007 and SoR UK Team of the Year 2007. Their decision will be final.

Only nominations received from the regional committees/national councils will be considered for the title SoR UK Radiographer of the Year and SoR UK Team of the Year.

The regional committees/national councils have asked that nominations are sent to the following people by the date indicated:

3. Criteria

Each nomination for SoR UK Radiographer of the Year and SoR UK Team of the Year must be made on this official nomination form (photocopies of the form are acceptable) and be supported by a statement describing why the nominee deserves the title. In addition, a brief resume of their career/work is required. The judges will want to know why the individual/team are the best. Preference will be given to nominations for high standards of patient care but others will be considered.

4. Prizes

The prize for the SoR UK Radiographer of the Year is £250, a Fujifilm digital camera, plus a certificate commemorating the award. Each regional/national winner will also receive £100, a Fujifilm digital camera, and a certificate.

The prize for the SoR UK Team of the Year is £250, a plaque and certificates. Each regional/national winning team will also receive £100.
